

Approved VA Provider of Aid & Attendance Benefits

Since 1999, Alliance Home Health Care Services has been Southwest Michigan's most trusted in home health care agency for home care needs. We have built a solid reputation serving the aging population, veterans, persons with disabilities, and individuals who are in need of home health care because of a long term illness or an accident.

All of our care services are offered with compassion, attention and dignity towards our customers.

***Honoring You for
Protecting Our
Country - now it is
our turn to serve you.***

Home Health Care is provided by the VA and contracted agencies to veterans who are homebound with chronic diseases. There are several types of home health care offered to eligible veterans by VA. Examples include:

- Personal care that includes bathing, dressing, and grooming
- Light housekeeping – dusting, vacuuming, cleaning bathrooms and kitchens
- Meal Preparation
- Assists with transportation, errands and companionship
- Medication Reminders

Alliance Home Health Care provides the services that VA requests, based on your needs and a care plan that works individually for you.
